

Annual General Meeting

The AGM of the Wensum Valley Birdwatching Society is to be held at 7.30pm on Thursday 21st.April 201 at Weston Longville Village Hall.

We need to elect committee members and officers to take the Society forward over the next twelve months. As you are aware there is a vacancy for the **Chair**. Nominations of all interested members irrespective of their birdwatching experience would be very welcome. NB You don't have to be a good birder!

On the next page is a **Nomination Form** for your use. You can make any number of nominations, but please remember that you **MUST** ask your nominee if they are willing to stand.

All nominees need to be nominated by at least two of the membership – the equivalent of a proposer and a seconder.

If we are over subscribed then a ballot will result. If we are under subscribed the new committee will have the right to co-opt committee members up to a maximum of ten.
